

FROM THE PREZ.....

I can't believe this but we are in the month of November already. And in case you don't know what that means I am going to tell you. It's time for turkey, football, candy, pies, shopping, chaos galore and just a few short weeks till jolly old man in the red suit appears. Where has the time gone this year? It seems like we just started this year off after the Holidays and here we are getting ready to start again. Well I guess that means that show season will be just around the corner after the Holidays so start working on those projects now.

Speaking of projects make sure that you bring a 1/72 scale airplane to the Christmas Dinner. We will be having a small contest for that scale air craft. So if you don't have one sitting on the shelf (like us car guys) start on one now so you can have it ready. I have already been working on mine for a few days already. Don't forget that the Christmas Dinner will be on December 4th at the Roanoker Restaurant.

I want to also mention that our Business Meeting will be held on November 19th, a week early due to Thanksgiving. Make sure you make note of this. The build meeting will be the normal 2nd Tuesday, which is November 12th.

Until Next Month!
